My work samples

[Techarticle - My Website](#)

Here I publish tech-related articles and study materials, offering insights to help students and professionals excel in exams and ace interviews effortlessly.

[Techarticle - Medium page](#)

TechArticle is your go-to for tech insights! Explore cutting-edge IT trends, AI, Cloud, & more with TechArticle. Simplifying tech for everyone.

[Ashish Kr. Jha - Medium profile](#)

On this medium page, I publish insightful articles related to finance, technology, and personal development. Simplifying complex financial topics into easily digestible paragraphs.

Apart from that, here are a few content pieces written by me during my job roles at Simublade and Wealth Redefine:

<https://www.moneycontrol.com/news/business/personal-finance/are-you-about-to-turn-40-here-is-how-to-rebuild-your-portfolio-without-starting-over-13468592.html>

<https://www.financeoutlookindia.com/opinion/retirement-planning-in-2025-the-benefits-of-using-sips-and-swps-together-nwid-5935.html>

These are some of the blog posts written by me at Simublade Technology:

<https://www.simublade.com/blogs/key-highlights-from-wwdc-2024/>

<https://www.simublade.com/blogs/mobile-app-development-case-studies-in-the-usa/>

<https://www.simublade.com/blogs/move-your-app-to-cross-platform/>

<https://www.simublade.com/blogs/build-an-app-for-apple-vision-pro/>

<https://www.simublade.com/blogs/the-top-programming-languages-for-mobile-app-development-in-2024/>

Here are some of my famously written guest posts:
